### Car Description

This early 911 2.0 rally car was driven by Ake Andersson in the 1967/68 European Rally Championship. The vehicle was completely restored to its original condition from the 1967 Gulf London Rally. The vehicle has a new TÜV/AU and a Classic Data report of grade 1 is available for the vehicle.

The engine and the transmission are completely revised using many new parts according to the original specifications and have the same numbers as the delivery units.

The oil system including the oil tank are new.

All other add-on parts of the vehicle such as chassis, brake system, electrics, petrol system, rims and interior are new or revised to new condition.
