Car Description

This Porsche 911 2.7 Carrera RS in light yellow 6262 with black imitation leather interior with sports seat on the left in partial leather pearl cord is currently being completely restored in our house and will be completed shortly. The vehicle was originally delivered in Germany in May 1973 and the history is documented and traceable. The 911 Carrera RS has never left Germany.

In addition, there are extensive documents about the work carried out in recent years, including our restoration.

The vehicle corresponds to the birth certificate in all equipment details.

A Classic Data report for the vehicle is available.

The engine, type 911/83 and the transmission type 915/08 are matching numbers.

Many of the vehicle's add-on parts such as the chassis, brake, oil and fuel systems, electrics, rims and interior are new or have been refurbished to new condition.

The vehicle has the following special equipment:

410 Sports seat, driver's side

440 Antenna on the left with loudspeaker with near-field interference suppression

472 Touring variant

549 3-point safety belt
