Car Description

This extraordinary Porsche 991 R with manual transmission was delivered to PZ Essen in December 2016 and was specially customized at the customer's request.

The history of the vehicle is fully documented and all documents are available, the 167km prove the new car condition of the 911 R and its combination of modern interpretation of historic racing and lightweight construction.

It is number 567/991 piece.

The vehicle has been manufactured in the classic color GT silver metallic, the interior impresses with the simplicity and simplicity of its operation and the combination of black and brown part leather and fabric interior. A lift axle was installed for everyday suitability.

The 911 R is being sold including new major maintenance and a Porsche Approved guarantee including TÜV and AU.
