Car Description 

This Jaguar E-Type Series 1 4.2 was delivered to Jaguar in New York on January 9th, 1965 and was then completely restored in Sweden and has been registered in the Federal Republic of Germany since 2017.

The vehicle has undergone extensive maintenance and ongoing maintenance over the past few years. This is completely documented and can be verified by invoices. The complete restoration of the past few years is also documented and understandable. Even the original board tools and jack are available, as well as a German operating manual. The vehicle is offered with a new MOT and a current valuation report.

The vehicle offered here is offered on behalf of the customer.

Please understand that a viewing is only possible by appointment - please email: mh@early911s.de or mobile: 0049 172 88 40 640.

We have a vehicle inventory of over 400 vehicles. Errors and changes excepted.
