Car Description 

This exceptional Porsche 997 Turbo S Cabrio PDK was delivered in Hawaii in January 2012 and was particularly customized at the customer's request.

The history of the vehicle is completely documented and all documents are available and come from the 3rd hand.

The vehicle was manufactured in the original color Meteor Metallic, the interior impresses with the perfect symbiosis of function and tidiness. The vehicle has absolutely full equipment including a carbon package and hardtop.

The Turbo S has a full service history at the Porsche Center and is being sold with a new TÜV and new appraisal.

First registration: January 6, 2012
