Car Description

This exceptional Porsche 997 Turbo Coupé was delivered to PZ Paderborn in May 2008 and was particularly customized at the customer's request.

The history of the vehicle is documented and all documents are available. The vehicle comes from the 4th owner and was manufactured in the classic color GT Silver Metallic. The interior impresses with the perfect symbiosis of function and tidiness. The vehicle is fully equipped including a painted PCM frame, etc. The color of the interior is Boxster red and corresponds to the mileage of almost 48,000 km.

This Turbo has a full service history with major maintenance in December 2023 at the Porsche Center and is being sold with a new MOT , new Tires and new appraisal.
