Car Description 

This 930 3.0 Turbo from 1976 in copper brown metallic exterior with full dark brown leather interior and Recaro sports seats is truly a unique piece and is currently being completely restored in our workshop. The engine and transmission have been completely overhauled using many new parts according to the original specifications and have the same numbers as the delivery units. The oil cooling system including oil tank is new. All other add-on parts of the vehicle such as the chassis, braking system, electrical system, fuel system, rims and interior are new or revised to new condition.

We hand over the vehicle with a current TÜV / AU certificate and a Classic Data report of grade 1.
