Car Description

This original, accident-free Porsche 911 2.0 S Targa in the unique color pastel blue was completely restored in our workshop and corresponds to the condition of a new car.

All vehicle equipment corresponds to the birth certificate and the vehicle history is available here.

The engine and transmission have been completely overhauled using many new parts according to the original specifications and have the same numbers as the delivery units.

The oil cooling system including the oil tank are new.

All other add-on parts of the vehicle such as the chassis, braking system, electrical system, fuel system, rims and interior are new or revised to new condition.

The vehicle is offered with a new TÜV / AU and a current Classic Data report of grade 1.

VIN: 119310273

Engine type/number: 901/10

Transmission type/number: 901/07
