Car Description

This 930 3.0 Turbo from 1977 in black / black is a unique piece and is currently being completely restored in our workshop. Its sporty equipment with Recaro seats and limited-slip differential improve the pure turbo driving pleasure. The engine and transmission have been completely overhauled using many new parts according to the original specifications and have the same numbers as the delivery units. The oil cooling system including oil tank is new. All other add-on parts of the vehicle such as the chassis, braking system, electrical system, fuel system, rims and interior are new or revised to new condition.

The vehicle will be handed over with a current TÜV / AU certificate and a Classic Data report of grade 1.
